

LIVREVAL

on-line school report cards

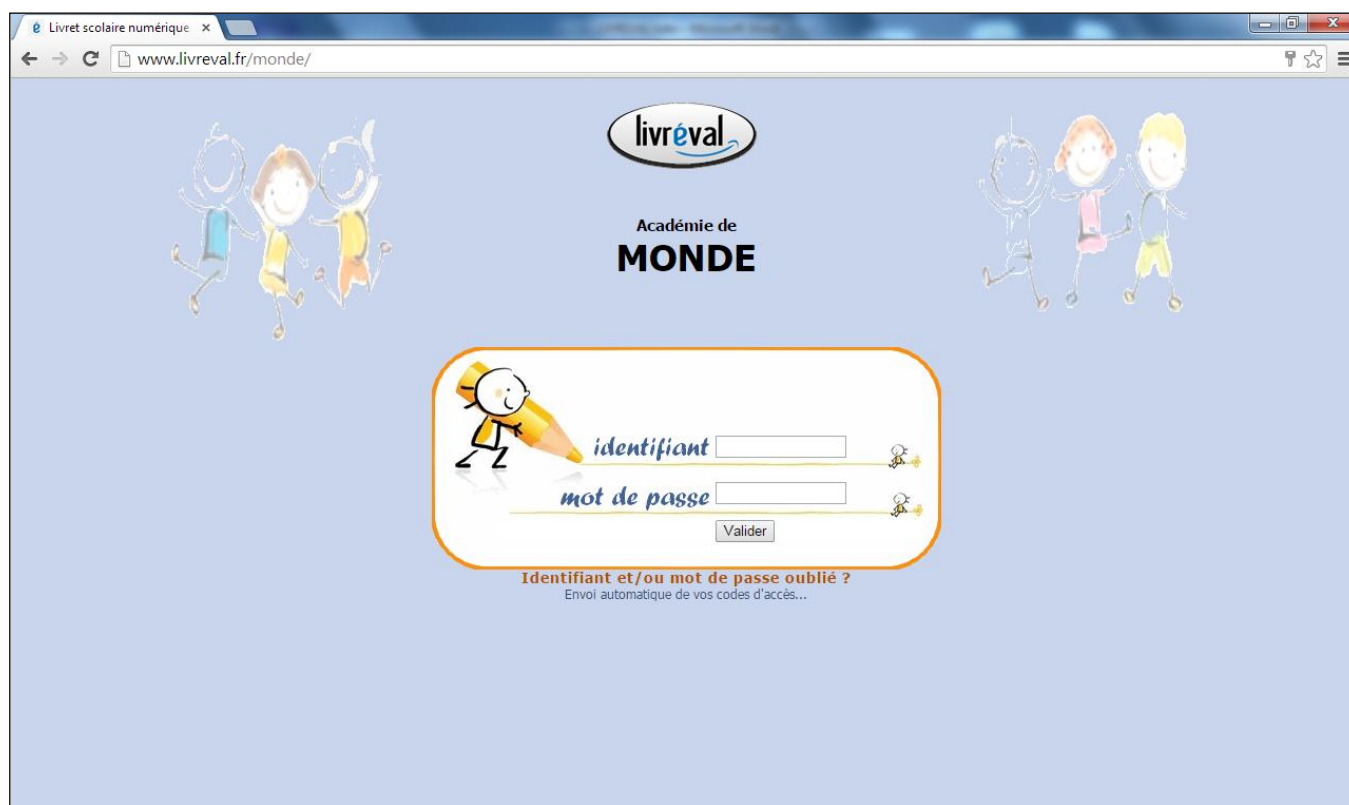

Since September 2013, the Primary school of the Lycée français de Prague uses an on-line application to edit the school report cards that allow the parents to consult their children's results.

The report cards are available on the internet. Each child has a personal ID and password given to him by the class teacher.

Here you will find some instructions for the application use:

Go to:
<http://www.livreval.fr/monde>

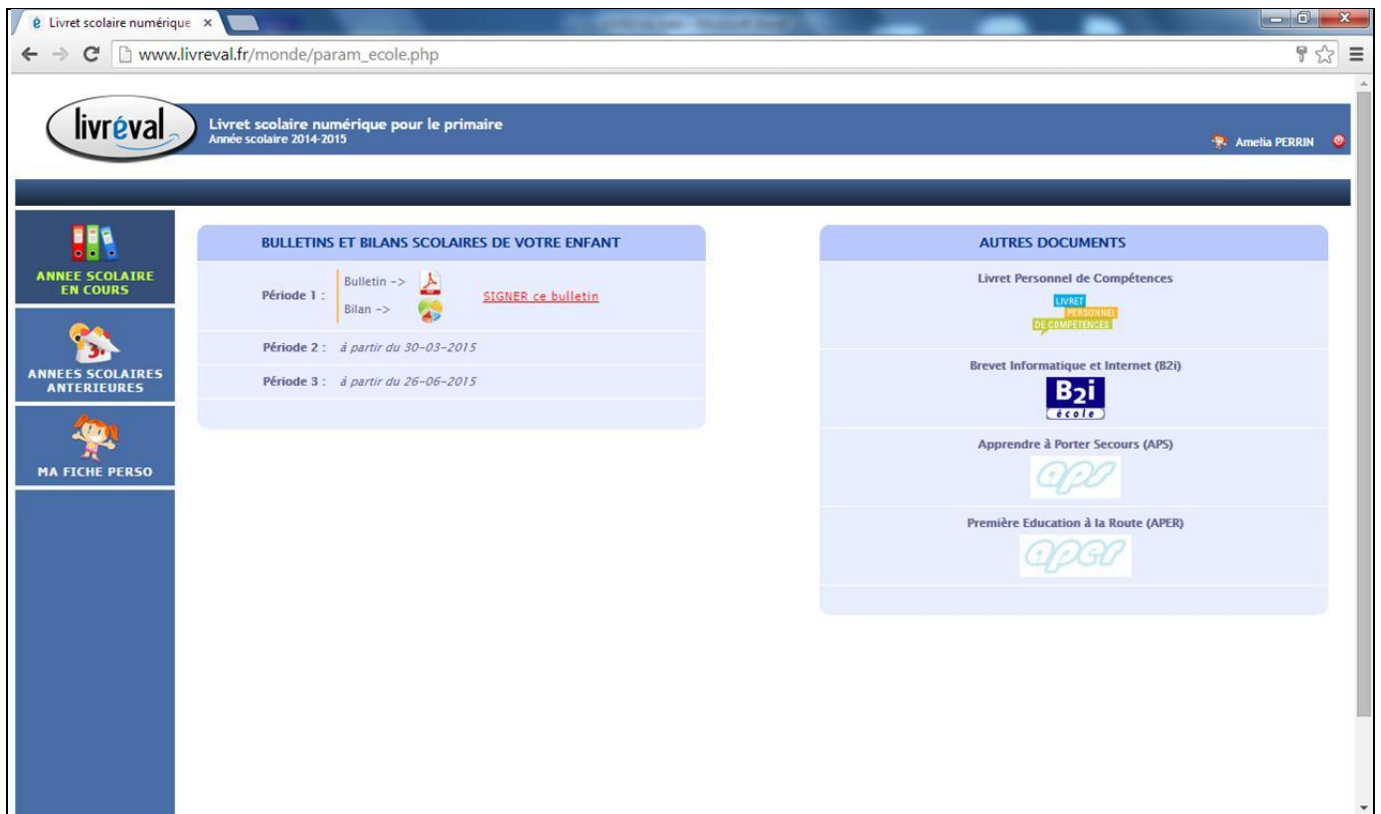

The following page appears:

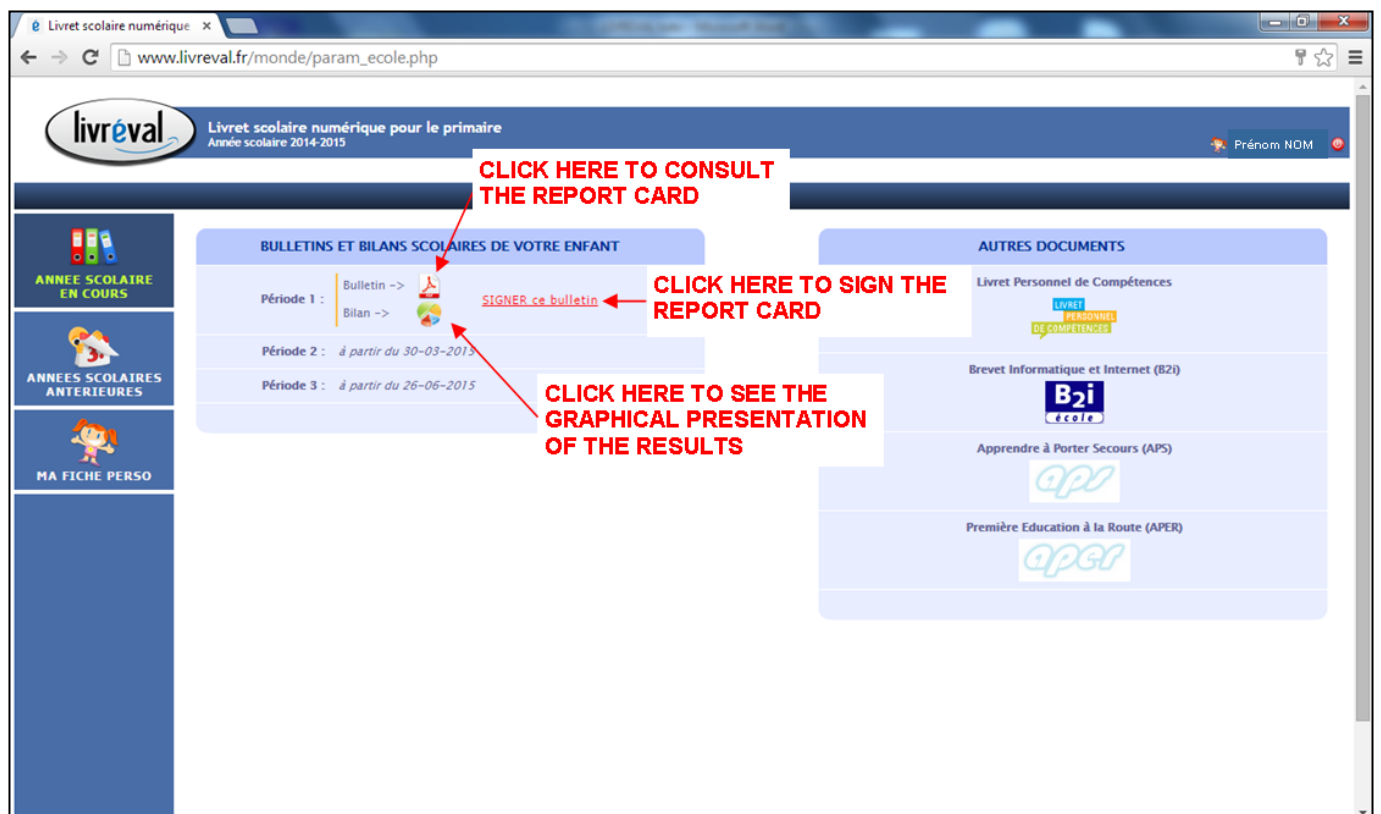

The screenshot shows a web browser window with the address bar displaying "www.livreval.fr/monde/". The page content includes the "livreval" logo, the text "Académie de MONDE", and two groups of cartoon children. The login form consists of two input fields: "identifiant" and "mot de passe", each with a small icon of a child and a plus sign to its right. Below the fields is a "Valider" button. At the bottom of the form area, there is a link: "Identifiant et/ou mot de passe oublié ?" with the subtext "Envoi automatique de vos codes d'accès..." below it.

Fill in the required fields, then click on *Valider*.

The home page appears:

Start by checking the report card (click on the pdf icon):

The skills evaluated during the period and the results of your child are on display (or pdf document is downloaded and must be opened):

You can save the report card in pdf format (Acrobat reader) and print.

Remember to click on the icon „Signer numériquement ce bulletin“ which attests that you have consulted the report card.

For your information, you have the possibility to consult the graphical presentation of the results:

The school report cards are available throughout the schooling years of your child. You can consult the last year report card by clicking on « *Années scolaires antérieures* ».

You can also change your password by clicking on « *Ma fiche perso* ».
